### **The Next World War: What Prophecy Reveals About Extreme Islam and the West**

By Grant R. Jeffrey

The escalating terrorist attacks in the Middle East and in major cities in the West are not isolated acts of extremism. They are the first warning shots fired in a coming world war. As current events unfold according to the prophecies of the Bible, Jeffrey says Islamic extremists are preparing to attack Israel and conquer western civilization—destroying our freedom.

### **Unveiling the End Times in Our Time: The Triumph of the Lamb in Revelation**

By Adrian Rogers, Steve Rogers

Respected Bible teacher and beloved pastor Adrian Rogers takes readers on a breathtaking journey through the “blessing book” of Revelation with Unveiling the End Times in Our Time. Indeed, Revelation offers every Christian believer a dramatic and hope-filled overview of what the end of days will be like. Although some think Revelation is confusing, or even scary, with its talk of dragons and beasts, the text contains a proper understanding of where his-story is headed. Rogers makes clear how the signs of the times already reveal God’s plan for bringing his people to full redemption, empowering us to live boldly while expecting the return of King Jesus as the triumphant Lamb.

## Billy Sunday, the Man and His Message

By William T. Ellis

Published when Billy Sunday was at the height of his fame in 1914, this biography takes us from the man's humble beginnings through to his success as a baseball player and nationally renowned preacher. Upon converting to Christianity in 1887, his celebrity as a sportsman coupled with a knack for compelling speech made Sunday a popular draw at talks. In 1891 he was faced with a choice: continue in baseball, or take up religion full-time. Choosing the latter, it was in the years following that Sunday became the nation's best-known preacher.

## Reasons Why Skeptics Should Consider Christianity

## Preaching and Preachers

By D. Martin Lloyd-Jones

Lloyd-Jones defends the primacy of preaching, showing that there is no substitute, and he challenges preachers to take their calling seriously: “The most urgent need in the Christian Church today is true preaching.” He also provides practical direction on the task of preparing a sermon, sharing insights on the shape and form of a message as well as covering such topics as the use of humor, giving invitations in a message and the preacher’s relationship to the congregation. If you can own only one book on preaching, make this the one you read.
